

# Condensation / drain and discharge hose

Flexible drain hoses for condensation.  
Specially designed for use in applications with  
condensation drains and drainage valves.

## APPLICATION

Drainage of condensation drains or drainage valves

## CHARACTERISTICS

- ✓ UV-stabilised

## TECHNICAL DATA

Material	: LDPE
Diameter	: 16.8 x 1.4 mm (for drain valves)
	: 21.6 x 1.6 mm
Pressure	: 0 bar
Temperature	: up to 35°C
Coil length	: 100 m
